

Single Family

2000 SQFT

3 Beds

2/1 Baths

2 Car

0.22 Acre

## PROPERTY DETAILS

Stop your search - you've found your new home! With a huge nearly quarter acre lot, FULLY remodeled within last 5 years, and stunning landscaping, this spacious tri-level is the best house in the neighborhood. From the moment you walk in, this home is open, bright and modern. The main floor is completely open from dining to living to kitchen, you enjoy the spacious sleek updates. The kitchen is huge with more cabinets than you will know what to do with. The oversized island is perfect for gathering and entertaining. Everything about this house has been updated from windows, to roof, to appliances, to decks and sheds to bathrooms. Nothing was overlooked. The 2 RV parking spots are great for saving money on storage, but don't miss the beautiful backyard with huge covered deck, playset for kids and even detached, finished man cave. The oversized 2 car garage finishes this immaculate gem of a house. Conveniently located within walking distance to the Peoria Hills Park, Florida Light Rail Station, Safeway, Walgreens, Utah Park, Jewell Wetlands Park, and Medical Center of Aurora. Easy access to I-225. Within 1 mile you will find: The Aurora Town Center Mall & Shopping Center (Walmart, Super Target, In-N-Out, Sam's Club, Home Depot), The Gardens at Havana (Target, Sprouts, Costco, Lowes, Starbucks, Dicks Sporting Goods) and countless other shops and restaurants. don't forget that Utah Park & Pool is a short walk nearby.
