PROPERTY DETAILS

Buyers are going to LOVE this gorgeous updated ranch style home with finished basement in Morris Heights. Nestled on a quiet street in a quiet established Aurora neighborhood. This open floor plan home was totally updated within the last few years, and lightly lived in. This homeowner took pride of ownership in everything! Enjoy the spacious living room that joins the open updated kitchen. REAL hardwood floors with espresso colored stain. Living room has an eastern orientation and overlooks the park-like front yard. The kitchen has been updated with slab granite, stainless steel appliances, and trendy backsplash tile. The eat in space kitchen is a bonus, adjoining the covered patio with a wooden deck. ALL bathrooms have been tastefully updated. Next comes the awesome basement with a large family room, an additional non conforming bedroom, 3/4 bath, and large utility room. Oversized lot with additional entertainment value. No pesky HOA. Summer time photos were taken for you to appreciate what beauty this backyard has to offer. Custom made shed and chicken coop is included, hens excluded. RV parking available. Steps away to the elementary school and Cottonwood Park. Buy and move in immediately, no rent back needed! Quick access to I-225, I-25 & I-70. Easy commute to Anschutz Medical Campus, Children's Hospital, Buckley Air Force Base, Stanley Marketplace, Denver International Airport, Downtown Denver and the Denver Tech Center.
