PROPERTY DETAILS

Escape to Mountain Living. Nestled on a spacious 2-acre lot in the Homestead Neighborhood. The perfect blend of natural beauty and modern design. Open and inviting floor plan, enhanced by vaulted ceilings, and hardwood floors. The gourmet kitchen features an oversized kitchen island, walk-through pantry and high end appliances. The adjacent living area boasts an open concept design, tons of natural light, and a 15' bifold door that seamlessly merges indoor and outdoor living spaces. The dining area & reading/cocktail nook are accented with a see-through fireplace, creating a warm ambiance. The primary ensuite features deck access with mountain views and spa like 5-piece bath with a steam shower, stand-alone tub and modern Up-Slide Lite mirrors. The lower level offers versatility & functionality with a primary bedroom & private bathroom, spacious office with a walkout door to the deck & flexible area with a wet bar. Additionally ample storage space for storage. The third level offers creative space that can be customized & transformed into a work-from-home office, an artist's studio, an In-law suite, a workshop, a game/playroom, home gym or VRBO. The possibilities are endless & the builder is available to assist in bringing your vision to life. Quality build with foam insulation, metal roof, high-end siding, 18' wide X 8' tall garage door, Anderson windows, solid core interior doors, quartz countertops, composite decking, Asphalt driveway and Landscaping.
