 PRICE \$496,000

 Condominium  1575 SQFT  3 Beds  2 Baths  2 Car

PROPERTY DETAILS

You have to check out this Mansion Park updated, 3 bedroom second floor corner unit overlooking open space with Mountain Views. Huge Open Great Room with fireplace, vaulted ceilings, hardwood floors perfect for entertaining groups large and small. Kitchen has 42" oversized cabinets, slab granite and tiled counters with upgraded SS Appliances. Dining Area can be "dressed up or down" depending on mood or event. Master Suite has private outdoor balcony for morning coffee or just relaxing. 3 bedrooms make this the perfect unit for singles, couples or families with room to spread out and/or work remotely. Bonus work space/library complete with built in book cases perfect for Covid 19 "work from home" orders. Killer Sunrise and Sunset Mountain Views from outdoor balcony perfect for entertaining. Oversized Tandem garage with new overhead shelving units provide the storage for tools, toys, bikes etc. Short walk to Town Center: shops, restaurants, Aviator swimming pool, dog park and Stanley Marketplace. Close to Light Rail Station for easy commute downtown or DIA. Any offers will be due Sunday by 5:00 PM
