PROPERTY DETAILS

This custom built 5/4 home can be found in the Historic area of Plantation. The home is totally remodeled with high end finishes. New roof, all impact windows, New Porcelain Tiles and all brand-new appliances. Home has two master bedrooms. The main master has a huge den adjacent to the bedroom. Huge kitchen with Butler's pantry. Laundry room, and a mother-in-law quarter. Enjoy the backyard under the Gazebo while the children swim in the huge screened in pool. There is also a large covered patio facing the pool area. This home sits on a large lot with a circular driveway that could hold about 10 cars. If it is space your client need, they will definitely find it here. Take a contact when you show this one as your client will not be disappointed.
