It is flanked by windows, drenching it with sunlight, and a french door mingling indoor and outdoor living. In the evenings, you can retreat to your luxurious primary bedroom with a true spa-like bath. Enjoy morning coffee or evening cocktails on your private balcony, perched high up in the trees. Also on the second floor there are two additional bedrooms, both with generous closet space. The second guest bedroom is spacious and versatile with added space for a workout area, home office, or whatever you desire.
