Large 5 Bedroom 3 Bath Corner Lot in Castle Rock

Single Family 4860 SQFT 5 Beds 3 Baths 3 Car 0.35 Acre

PROPERTY DETAILS

Come check out this large 5 bed, 3 bath home on a large corner lot in desirable Castle Rock! Entering this lovely home on the main level you will notice the hardwood floors. You enter into the open, bright, and airy feeling of this home. Main Area features a large coat closet in the welcome area. The living room is large and bright with plenty of room for entertainment around the gas fireplace. The kitchen is opened to the living area, allowing for the host and hostess to connect with the guests as meals are prepped. In the kitchen you will notice the large granite counters and island, with plenty of counter space. Observe the beautiful cherry cabinets with plenty of storage, as well as the large pantry. Next to the living room is the Owners Suite with large bedroom, and 5 piece bath, and large walk in closet. Downstairs opens to a large open rec area, perfect for playing games, or watching movies. 2 Beds, 3/4 bath and storage. Schedule a showing today!
