PROPERTY DETAILS

FULLY RENOVATED Harvey Park charmer ready for you to call home! The main level features open concept living with a flood of natural light. The modern kitchen is a chef's dream and features brand new General Electric stainless steel appliances, granite countertops and an eat-at island/breakfast counter. The garden and second levels each have two spacious bedrooms with large closets that share full hallway bathrooms. Work from home in the second bedroom upstairs with a nook perfect for a home office. The oversized backyard is fully fenced with a large new concrete patio ideal for entertaining. Rest easy with a brand new electrical panel, water heater, and recently serviced furnace. Located close to major highways, schools, shopping, restaurants, and gorgeous Harvey Park. Act now, this home is priced to sell!
