PROPERTY DETAILS

Highly sought after ranch-style townhome in the coveted Oakmont Townhome community. Located in a secluded, park-like setting with gorgeous mountain views! Light and bright home has tons of passive solar heat provided by the many large south facing windows and doors. Main-floor living includes primary bedroom suite with private bath and walk out to spacious deck overlooking open space. There is an additional bedroom, another full bath on the main level. The great room is spacious and boasts vaulted ceiling and both carpet and wood flooring. The gas fireplace in the living room keeps the main level toasty on chilly winter days. The kitchen is open to the living area and features counter seating. This home has a large deck that provides great outdoor living space perfect for entertaining as it accommodates many furniture pieces, table, and grill. The completely finished lower level includes 2 large guest bedrooms, 5-piece bath, and family room with woodburning fireplace, offset wet bar and walk out access to the second deck. Storage areas include a walk-up attic and large and hidden storage room in the basement. Helical tiebacks installed June 2022s. Roofs were replaced throughout the community in May 2019. The community of Oakmont is located just minutes from downtown Colorado Springs with easy access to I25 and many great amenities.
