PROPERTY DETAILS

COMING SOON Welcome home to your updated and gorgeous new home! This 4 bed/2 bath home is absolutely stunning where pride in ownership truly shows! This home was completely remodeled in 2019 from top to bottom featuring new radiant heat flooring throughout, new windows, new plumbing, new electrical, new everything! On the main level you will find two large bedrooms, a full bath, a newly remodeled kitchen and living room perfect for the family to enjoy movie night! Downstairs you will find two more large bedrooms, a large 3/4 bath and living room perfect for the teenagers in the family! Outside you will find all updated landscaping with front and back sprinkler systems, a large covered patio in the backyard and a pergola with firepit and dog run! Additionally this property features a two car tandem garage with access from an oversized driveway in the front, complete with room for your RV and alley access! This property is walkable to Stanley Marketplace and the Central Park neighborhood, and easily accessible to Anschutz Medical Campus, I-225, Colfax Avenue and City Park!
