PROPERTY DETAILS

This spacious 1 bed 1 bath condo has it all! As you walk to this Condo you are welcomed with a large living room with a wood burning fireplace for cozy winter nights. The breakfast/dining area has plenty of space for up to an 8 seater table with extra seating at the island/sink area. This Condo has a Balcony, so you can enjoy your morning coffee and fresh air. There is a full size laundry room, detached 1 car garage in addition to a reserved parking spot. The large primary bedroom has a spacious walk in closet and en-suite full bathroom. The hot water heater is newer, replaced in 2022. Garbage disposal replaced recently and the furnace was cleaned and serviced in 2022 as well!
