PROPERTY DETAILS

It's your turn to enjoy making memories in this wonderful sunny Ranch style home with a terrific layout and lots of great living space. The large bright living room with hardwood floors and a custom bay window has lots of room for entertaining. The dining room flows into the large family room space in the back of the main level. The kitchen features resurfaced cabinets, a tile floor and Corian counters and sink and a large window into the family room. A full bath is available to the guests in the two main level guest bedrooms. The primary bedroom has a beautifully updated 3/4 bath. All of the windows in the home have been updated and the HVAC system is new. The back yard features a new patio and several areas to enjoy the peace and serenity as well as the activity around the various bird feeders. There's a fenced dog run that has a pet door that goes into the garage. This friendly neighborhood is close to the fabulous shopping, entertainment and restaurants of Belmar, several open space parks and public transit stops and allows quick and easy access to the mountains or the city of Denver.
