PROPERTY DETAILS

Amazing Updated home in Castle Rock on a beautiful .373 acre lot. No HOA! Updated inside and out! Pride of ownership and so much to list, you must see this spectacular home for yourself! The kitchen has ample cabinet & counter space, island & newer stainless appliances. Upstairs boasts the large Primary bedroom with a private balcony! Enjoy the view of Pikes Peak while sipping your morning coffee, then relax at the end of the day while watching the beautiful sunsets! Upstairs also has 3 additional larger bedrooms & another updated full bathroom. Pikes Peak views from several other windows upstairs as well! The unfinished 1446 sf basement is enormous & ready for you to finish with high ceilings and plumbed for another bath! Much of the exterior has been updated as well. Professional landscaping makes the outdoor living space truly a private oasis with peaceful garden sitting area. Natural rock formations in secluded backyard. Oversized 3 car garage and so much more!
