PROPERTY DETAILS

Incredible opportunity to own a beautiful newly updated custom 5 bedroom 5 bath home on picturesque professionally landscaped lot in desirable location in Bow Mar. This magnificent home features an open floor with a wonderful great room to be enjoyed by all. The gourmet kitchen is a chefs delight with high-end appliances, a cozy eating area with amazing fireplace and expansive new windows and large skylight. The kitchen flows to the dining room featuring views of the backyard and opens to the great room with custom back lighting and hand crafted wood beams perfect for all occasions. This one of a kind living space is complete with a music area viewing a custom brilliant chandelier, custom bar with backlit honey onyx, space for a pool table or additional seating, a grand fireplace and expansive lounging area with built-in large tv and surround sound speakers. The large primary suite features a double sided fireplace and spa inspired bathroom with an over-sized master closet and direct access to the backyard and hot tub area. On the main level, there are also three secondary bedrooms, one ensuite and the other with a jack-n-jill bath. The custom basement with 11' ceilings was created using the finest of materials and great attention to detail. It features a theater room with custom drapery, handcrafted woodwork with backlit stained glass and amazing surround sound system. The basement offers an additional bedroom with large windows, a 3/4 bath and
