PROPERTY DETAILS

Welcome to this stunning luxury listing, where modern elegance meets natural beauty. The original home was fully redone and a second floor added in 2005. It boasts a prime location backing to the serene, private Hideway Lake with breathtaking lake and mountain views. As you step inside, you'll be greeted by luxury finishes at every turn, from the soaring ceilings to the hardwood hickory floors and designer lighting. The kitchen is a chef's dream and the adjacent formal dining and family rooms offer plenty of space for hosting dinner parties and enjoying the sunsets. The upper level features an open loft overlooking the lake along with a luxurious primary suite, complete with a spa-like ensuite bathroom, two walk-in closets, and private wrap-around deck. Three additional spacious bedroom ensuites round out this level, ensuring plenty of space for family and guests. The walkout basement is an entertainer's paradise with a large recreation room which was designed for ballroom dancing. There is a wet bar, exercise area and professional spa steam room. The expansive outdoor living area offers a stamped concrete patio with hot tub and koi pond and an upper deck with breathtaking views. It is perfect for al fresco dining or simply enjoying a glass of wine while taking in the scenery. This property also offers a large workshop/safe room, separate office and RV parking, making it ideal for outdoor enthusiasts. This property comes with an exclusive membership to the 75 acre
