PROPERTY DETAILS

Meticulously maintained and pristine 3 bedroom 2 1/2 bathroom home with the potential of finishing the walkout basement. Step inside from the covered front stoop and notice the impressive 2-story entry ceiling and gleaming hardwood floors. The powder room is conveniently tucked away from the main living space next to the staircase. The living room is flooded with natural light, boasts a gas fireplace, and is open to the spacious dining area and kitchen with impressive breakfast bar. The kitchen includes a pantry, and there is an adjacent tiled mudroom with built-in cabinetry and garage access. Upstairs are two generously sized bedrooms, a full bath with glass tile, and a private primary suite. The laundry room is thoughtfully designed with an additional access point from the primary walk-in closet. The primary bathroom includes a double granite vanity, soaking tub, and, large tiled shower. The basement has a walkout slider as well as rough-ins for a wet bar and a fourth bathroom. The backyard features a no-maintenance terraced landscape with wood deck great for summer grilling. Speaking of summer, let's not forget the central air-conditioning!
