PROPERTY DETAILS

Move in ready, you will love being surrounded by the natural beauty of the Open Space and Mountain Views that makes this Highlands Ranch home Special! The Open Concept Kitchen has been updated and includes an island, plenty of cabinets, pantry, and granite countertops. Enjoy the eat in kitchen area overlooking the Open Space and Stunning Views. The Dramatic 2 story Family Room includes a cozy fireplace and views of the Mountains as well. Access the outdoor living space and fenced yard, then imagine spending summer evenings watching the sunset on your private deck. The spacious dining room off the kitchen overlooks the open space as well. Main level bedroom and private en suite bathroom are separated from the living spaces providing privacy for family or guests. Ascend the stairs to find the master suite with walk-in closet and a Beautifully Remodeled five piece bath with modern shower and gorgeous soaking tub. The views from your Primary Suite are Breathtaking! Two secondary bedrooms utilize 2 additional full baths and laundry is conveniently upstairs. Full finished basement has wet bar and fridge, plenty of space for entertaining. This home includes a 3 car attached garage with cabinets and shelving. Highlands Ranch is an amazing community with four recreation centers, pools, tennis courts and activities for all to enjoy. This home is a MUST SEE!
