

 Multi Family  1133 SQFT  1 Bed  1/1 Baths  2 Car

## PROPERTY DETAILS

Spacious townhome in the perfect Central Park location. Inside, you'll love the open-concept living room and huge kitchen with tons of cabinets. There are real hardwood floors and a cozy balcony that's perfect for sipping morning coffee. The generously sized primary suite with walk-in closet has all the storage space you need. Don't miss the rare, attached two-car garage for your vehicle, gear, and so much more. Easy access to downtown, I-70 and great neighborhood amenities. Fabulous price point to get into Central Park. This one won't last!
