PROPERTY DETAILS

Welcome to North Turkey Creek in Morrison! Here's your opportunity to own a mountain escape in the best-kept secret neighborhood just 25 minutes west of Downtown Denver. Updated over the years, this five-bedroom, three-bath home is a wonderfully warm place to live, work and play.

The interior greets you with soaring vaulted ceilings, an open-concept great room, rustic stone fireplace, and massive windows for an enchanting, treehouse feel. The gorgeous kitchen is a chef's dream featuring granite countertops, a newer stainless fridge, and a 36-inch commercial gas range. An effortless flow leads you from the kitchen to the dining and living rooms, then out through French doors to a huge deck, more than doubling your indoor-outdoor entertaining space. On the deck, you'll find ample space for casual seating, dining, and the included hot tub.

Back inside, the main floor continues with two generous bedrooms, one with room for a desk or reading nook, and a full bath. Upstairs, your primary retreat encompasses the entire second floor. Here, you'll fall in love with the five-piece bath with dual vanities, oversized shower, and jetted tub. Finishing out this space is a large walk-in closet, the icing on the cake!

Downstairs, the basement has been recently renovated with drywall, fresh paint, and recessed lighting now in place. Along
