PROPERTY DETAILS

Spacious Ajax Lofts penthouse located in the heart of exciting downtown Denver. Your new home is filled with golden natural light, ample square footage, and a sprawling open layout to configure according to your needs. Modern kitchen with island which includes a new range. This penthouse offers a spacious bath, tons of storage and Elfa organizer in the walk-in closet. Enjoy stunning views of sunsets and the shimmering skyline from your private patio. Hear baseball games from the stadium and see fireworks from Coors Field which are visible from both the living room and balcony. Deeded parking in the heated underground garage, and the city at your doorstep. Perfection!
