MLS # 8366844
 PRICE \$425,000

Single Family 640 SQFT 2 Beds 1 Baths 1.68 Acre

PROPERTY DETAILS

Escape into nature with this captivating 2-bed, 1-bath new build on 1.68 acres of serene mountain land. Welcome to your charming cottage in the woods, blending classic elegance with modern convenience. Experience a timeless allure, with custom furniture repurposed for appliances, adding history and character. Explore the kitchen, a fusion of old-world charm and contemporary functionality, featuring antique dressers as a charming sink, stainless steel pull-out refrigerator, and a timeless oven. The living area boasts soaring ceilings, a cozy gas stove, and expansive windows bathing the space in light. Retreat to the spa-like bath with a Japanese soaking tub and rain shower. With 1.68 acres, there's space for expansion or serene mountain living. Imagine relaxing on the patio, listening to birdsong or stargazing. Whether a peaceful retreat, romantic getaway, or investment, this cottage offers old-world charm with modern comfort. Near national forest access and downtown Bailey, it's secluded yet convenient. Approved by Park County for part-time residence, with potential for full-time living with septic system renovation. Experience mountain living and create lasting memories in this enchanting haven.
