PROPERTY DETAILS

Welcome to Cherry Creek Vista! This is a very rare opportunity to buy a ranch style house in a highly sought after neighborhood. With brand-new kitchen appliances, unique vaulted ceilings, and a wonderful layout this 4 bedroom, 3 bathroom house is a dream come true. A see-through fireplace is perfect for winters in Colorado as you can enjoy it from either side. Huge bathroom with an open concept and jacuzzi bath tub. Introducing your own personal oasis: a gorgeous backyard that will take your breath away! Step into a world of tranquility and natural beauty right outside your door. Gorgeous garden. Huge covered patio. Very private home - very well loved! With long-term owners. This is a great location where you are in walking distance of Sunset Park, Orchard Park, and a quick bike ride to Cherry Creek Reservoir.
