## PROPERTY DETAILS

Great opportunity with many options! This partially remodeled home sits on a large lot in a low traffic cul-de-sac. It has nice, fenced off street parking including a garage, a second driveway and a 39 x 12 foot for RV, toys or work trucks. Potential rear entrance for the basement stair case that could help converted this to an up/down duplex. House hack and rent out one or mother in law, or cash flow renting out the whole thing! Big yard that backs to greenbelt and creates nice privacy. Bonus family room off the kitchen that has an included pool table. 3 bedrooms and 1 bath up. Another two bedrooms(non conforming) and 1 bath down and partial kitchen. New in 2023 - sewer line, fridge, self cleaning range, dishwasher, kitchen counters, beautiful kitchen sink, sump pump, light fixtures, interior paint, flooring and more! Don't delay, this one is the 4th of July special you have been dreaming about!
