COMMUNITY: Brand New Remodeled Unit in desirable Morningside
Condominiums

Condominium 1300 SQFT 2 Beds 2 Baths 1 Car

PROPERTY DETAILS

Amazing deal on a beautifully remodeled condo!!! 2 Bedrooms + Office Nook and 2 bathrooms has been thoughtfully re-designed with high end modern finishes by a husband and wife duo. Along with the 2 bedrooms, you will find a den/office area that is perfect for a reading nook or home office. The great room is perfect for entertaining with the kitchen and living room flowing together. The kitchen boasts brand new white cabinets with beautiful gray veined quartz countertops and hexagon tile backsplash. Bathrooms are finished with designer tile and modern matte black fixtures. All new air conditioning units are placed throughout the condo, including one on the enclosed lanai so you can enjoy the sun without the extreme heat. Outside the walls of this beautiful unit, you can enjoy the great amenities that this HOA offers! Morningside is a well managed community that takes lovely care of the grounds, has an indoor AND outdoor pool, a BBQ area with gas grills ready to use! The clubhouse also has a workout room, his/hers sauna and steam rooms. The party room is large and has pool tables, a kitchen, and a library. This unit comes with one parking spot in the community garage (#305) and a dedicated storage (#305) in the building as well. Come see this beautiful unit!
