

Breathtaking New Modern Farmhouse In Prime Englewood Location

Single Family

4202 SQFT

4 Beds

4/1 Baths

2 Car

0.14 Acre

PROPERTY DETAILS

Gorgeous new modern farmhouse design with over 4,200 SF sitting on a quiet block just 2 blocks to the Swedish Hospital medical complex. This 4 Bed 5 Bath features a breathtaking open floorplan with tons of big windows and natural light. You'll love the hardwood floors upstairs and down & the 2nd floor vaulted ceilings with tons of architectural appeal. Entertainer's dream kitchen, huge mud room, main floor office, stunning owner's suite, spacious 2nd floor laundry and finished basement make this the perfect home for luxury buyers wanting a new home with all the amenities in an established Englewood neighborhood. Don't miss the backyard that includes fabulous outdoor living emphasized by a huge covered patio and charming fireplace. Two car detached garage. Close to everything. Definitely a MUST SEE!
