Condominium

951 SQFT

1 Bed

1 Baths

PROPERTY DETAILS

Welcome to this beautiful condominium located in the Santa Fe Arts District of Denver, CO. This property offers a spacious living area of 951 sqft, featuring 1 bedroom and 1 full bathroom. The bedroom provides a cozy and comfortable space with a radiator heating unit and natural light. The full bathroom is equipped with an oversized vanity, shower/tub combo, washer/dryer, radiator, and mirror.

The kitchen is a chef's dream with its high-end range oven, white cabinetry, dark countertops, and light tile floors. The living room and family room provide ample space for relaxation and entertainment, both featuring concrete floors and natural light. The basement offers additional living space with light carpet, track lighting, and a white fridge.

Step outside to the exterior entry where you'll find a patio area and French doors, adding a touch of elegance to the property. The exterior of the building is adorned with awnings, enhancing its curb appeal. Other notable features of this property include high ceilings, track lighting, and a patio in the back.
