

 Single Family  1931 SQFT

PROPERTY DETAILS

Welcome to this beautiful single-family property located at 3656 Buffalo Grass Lane in Castle Rock, CO. With a total of 1931 sqft, this home offers plenty of space for you and your family to enjoy. The property features a spacious living room with hardwood floors and a ceiling fan, a chef's dream kitchen with white appliances and light countertops, and an empty room that can be customized to your liking. The bathroom is a tranquil retreat with an oversized vanity and light parquet floors. Other highlights include a bedroom with light carpet, a front lawn with a garage, and a backyard with a wooden deck. Located in a desirable community, this property offers the perfect blend of comfort and style.
