PROPERTY DETAILS

The Nest is the most unique cabin you'll find in Bailey; the comforts of a cozy mountain retreat for someone who can appreciate it's features and history. Built in 1946 and completely remodeled to the studs, with an antique stove/oven to bake cookies, an antique refrigerator used as a pantry and an old Bailey Post Office sorting table converted to a kitchen counter. Modern amenities include an efficient wood burning fireplace insert, refrigerator, LVP flooring, custom water system with on-demand hot water to the kitchen and bath, and a 16 yr old metal roof. Enjoy the mountain life with Bighorn sheep grazing in the yard, the sound of the year-round creek, and nearby access to the Deer Creek Trailhead and Mount Evans Wilderness Area.
