## PROPERTY DETAILS

Are you looking for new construction without all the builder grade basics? Built in 2021, this ranch designed home is upgraded with a new PVC fence and screened-in lanai with new tile creating an oasis to enjoy your LAKE VIEW and custom built brick fire pit! The floating shelves in the garage will also add to the abundant storage. The bedrooms are all equipped with oversized closets and the whole house features a Vivint smart home security system with 4 cameras and door/window sensors. That's not all- you can rest easy knowing your electricity bill will be next to nothing with solar panels powering the home and allowing you to charge your smart car on the newly installed Nema 14-50 level 2 charging port.
