

Mountain Views & a Spacious 1bd/1ba

 Condominium  815 SQFT  1 Bed  1 Baths

PROPERTY DETAILS

Welcome Home to this adorable, nicely maintained and move in ready condo. Light and bright, it's a large 1 bedroom and 1 bath at 815 sqft. Your kitchen boasts plenty of storage with ample cabinets and long counters. A woodburning fireplace will make the winters feel cozy, the peaceful deck will provide mountain views while relaxing, and the community pool is a perfect place to cool off while it's so hot outside. There is also an in-unit laundry room with a washer and dryer already included for your ease and convenience. Plenty of outdoor parking, close to shops, grocery, restaurants and entertainment, this Westside gem of a condo is conveniently located about a mile off Hwy 285 with easy access to head into Denver or the Mountains. This could be a great first time home or a nice addition to your investment portfolio!
