

Condominium

812 SQFT

1 Bed

1 Baths

1 Car

## PROPERTY DETAILS

First floor condo with detached garage in a great location. This condo is a one bedroom with a full bath with an open living room with a wood burning fireplace, dining and kitchen area that opens up onto a patio. The bedroom has a walk-in closet with ample storage. There is an additional storage closet on the patio and shelving in the garage. Washer, Dryer and Dishwasher are all less than 2 years old and only used in the winter (resident used as winter home). Right across the street from Sister City Park and trails and just blocks from restaurants, groceries and shopping. HOA includes a swimming pool, tennis courts and clubhouse.
