PROPERTY DETAILS

This lovely 2 bedroom, 1 bath condominium is on the second floor with a long covered deck at the front, spanning the living and dining rooms. It looks out to a beautiful parklike quad with mature trees and a gazebo. The long back deck on the other side looks toward the street and lets in lots of sunshine and light. There are slab granite counters in the nicely updated kitchen, and a nearby oversized closet which houses a washer-dryer combination. New engineered flooring was just put in throughout, except for the tiled bath and kitchen. Nice touches include a newer faucet, backsplash, heavy duty disposal and new microwave in the kitchen. It's an easy walk to Crown Hill Park & Lake and the Colfax Light Rail Park & Ride is just to the south; Lutheran Hospital is nearby. Deeded covered parking is close and just under the breezeway there is additional parking on the street.
