PROPERTY DETAILS

Wonderful custom mountain home featuring vaulted ceilings, impressive wood and stone accents and a flowing floorplan. There is room for everyone with an expansive master suite plus three bedrooms upstairs as well as two bedrooms on the main level. Entertaining is easy with the gourmet kitchen and multiple lounge areas. Extensive flagstone patios surround the home for year-round enjoyment of the forever views and Colorado sunshine. Enjoy the best of both worlds in this peaceful and private Lookout Mountain retreat with easy access to the Denver metro area. A2 zoning, fenced pastures, and water for domestic animals add to the options.
