Beautiful Remodel - Ready To Move In!

Townhouse 1901 SQFT 3 Beds 3 Baths

PROPERTY DETAILS

Complete Remodel! Downstairs is an open floor plan with large family room, featuring a gas fireplace, updated kitchen with new countertops and backsplash and appliances. There is also a powder room and laundry room next to the garage entrance. Upstairs are 3 bedrooms, 2 baths with a spacious master suite with a walk in closet and ensuite bath. New throughout: Roof, A/C, All Appliances, Carpet, Paint (ceiling, walls, trim), Laminate Hardwoods, Lighting, Plumbing Fixtures, Toilets, Interior Doors. Nice, neutral, gray colors in the paint and floors, new windows on the east side of the house and all the ducts have been cleaned professionally. Outside, there is a sprinkler system and a large fenced backyard and walking distance to Village Place Park. Close to the airport, UHealth and Anschutz Medical Center, shopping and restaurants in Northfield and Stapleton. Fantastic home in a great location!
