PROPERTY DETAILS

Amazing turn-key bungalow in the heart of Sunnyside! Just a short walk to Chaffee park, local coffee shops, fantastic restaurants and boutique shopping! Darling west facing front porch makes this property perfect for enjoying Colorado sunsets. Upon entry, the open floor plan shows off stunning original hard wood floors. Enormous granite island and stainless steel appliances make the kitchen an entertainer's dream! Includes not only one full bathroom on the main floor, but a second en suite master bathroom, complete with jack & jill sinks, remodeled shower and vanity space. Main floor closets include custom ELFA shelving. Spacious backyard & new concrete patio make for the ultimate summer and fall gatherings, with a fire pit set up in the backyard's Southeast corner! New furnace installed in 2015 with Central A/C. Roof updated in 2017. Brand new concrete in the backyard & south side of home, complete with french drain and custom blinds on new windows throughout the home!
