PROPERTY DETAILS

Beautiful Townhome with awesome open floor plan in Steeplechase development with walking paths and expansive lush green space with trees. Home has main floor master suite with two bedrooms on main level, built in wet bar, vaulted ceilings with ceiling fans. Kitchen features all SS appliances, glass cook top 2 ovens, Silestone counter tops and eat in kitchen. Downstairs features walkout entrance with large patio, perfect for mother in law suite with large bedroom spacious living area and bath. Lower level laundry with lots of storage cabinets and extra large walk in closet along with bonus room. Top level has plantation shutters on all windows with hardwood floors in kitchen. Lower level has top level blinds on all windows. Almost all windows look out at common area green space giving a very private feel. A MUST SEE hurry and set showing will not last long.
