## PROPERTY DETAILS

Located in the Golden Triangle Creative District of downtown Denver, this spacious loft features refinished hardwood floors, concrete countertops, and a loft bedroom with a walk-in closet. The building has a gated courtyard with sculptures and seating. Inside, there is a reception area, mailroom, and access to a private parking garage. The condo has an open kitchen, great room, office/guest space, and a small deck overlooking the courtyard. Upstairs, there is a carpeted bedroom, full bath, and laundry. The unit has exposed brick and concrete walls. A parking space and storage unit are included. Nearby attractions include museums, theaters, galleries, restaurants, and specialty stores. With excellent security and 1256 sq ft of loft living, this is a wonderful home in the city.
