PROPERTY DETAILS

Welcome to 1367 6th St SE, a beautifully maintained and updated ranch style home in Loveland. This home offers main-floor living and is conveniently located near open space, Downtown Loveland, and local amenities. The bright and open living room features a gas fireplace and cathedral ceilings. The dining and kitchen area boasts stainless steel appliances, painted cabinets, a breakfast bar, and ample counter space. The main level includes 3 bedrooms and 2 renovated bathrooms. The basement provides over 1000 SF of space, partially finished for a playroom, guest suite, or office. The home also features a new roof (2022) and replaced AC and furnace (2019). St. Louis Open Space is just steps away, with schools, shopping, and recreation within a 5-mile radius. Don't miss out on this gem!
